Applications are invited from Indian citizens for the post of junior Research Fellow (JRF) for a project sponsored by SERB-Department of Science and Technology, New Delhi, entitled "Public Interest Event Monitoring in Sparsely-populated Mountainous Regions using Mobile Crowd-Sensing". An online interview is scheduled to be held on 14th January, 2021. The post is purely temporary and co-terminus with the end of the project. Relevant details are given below:

| Designation | Essential Qualification | No. of posts | Duration (remaining) of the project | Consolidated fellowship/pay per month (Rs.) |
|------------------------|--|--------------|-------------------------------------|---|
| Junior Research Fellow | M.Tech/ME in Computer Science and Engineering or Information Technology with minimum 55% marks | 1 | 8 months | 25,000/- |

Eligible candidates may send their bio-data in advance to Dr. (Mrs.) Ningrinla Marchang, Principal Investigator (email: nm@nerist.ac.in, ningrinla@gmail.com) on or before 13th January, 2021.

The shortlisted candidates will be called for online interview on 14th January, 2021 from 11 AM onwards (*Link will be sent to shortlisted candidates only*). Mere possession of essential qualification and experience does not guarantee selection for the post. Candidates will be selected on the basis of merit and need of the project.
